

TOGETHER WE CAN MAKE A DIFFERENCE!

Why we do what we do

Imagine you or someone you love, not receiving the learning opportunities that every child deserves to have. The opportunity to reach their potential in a safe and caring environment.

Janus Academy Society is a non-profit charitable organization that operates an independent school for children and youth with autism, a summer camp, and a community day program for adults on the autism spectrum.

Operating for over 20 years, and with the support of its sponsors, donors, volunteers and parents, Janus Academy has been able to address some of the autism community's most pressing needs, including a safe and caring environment for learning.

Every year, hundreds of people in the community come out to support Janus Academy's signature fundraising event, our Annual Spring Gala and Charity Auction. Our goal is to raise funds and awareness for *autism!* All of the money raised at the Spring Gala goes to the assessment, education, and treatment of students with this lifelong disorder.

Together, we have raised over \$2.2 million in support of persons with autism!

What you can do to help

On March 9th, 2019, we will celebrate **Janus In Bloom** on our journey of providing the gift of hope to the students at Janus Academy and their families.
